Shine a Light 2026!

Subject [Shine a Light on Hyperoxaluria 2026 — Every Story Makes a Difference]

Hi [Recipient's Name],

I'm taking part in **Shine a Light on Hyperoxaluria 2026** — a fundraiser supporting the Oxalosis and Hyperoxaluria Foundation (OHF) and the individuals and families affected by hyperoxaluria. This campaign brings our community together to raise awareness, share stories, and support the research, care, and connections that make a difference for people living with Primary Hyperoxaluria (PH) and related conditions.

[Share your personal motivation for participating here — for example, why this cause matters to you, who you're honoring, or how OHF has made a difference.]

Your donation will help OHF advance research, strengthen access to specialized care through the OHF Care Center Network, and connect patients and families with the resources and support they need. Every gift, no matter the amount, helps shine a light on hyperoxaluria and the people and families affected by it.

Please consider making a donation today and joining me in shining a light on hyperoxaluria. You can contribute here: [Insert 2026 Fundraising Link]

Thank you for your kindness and support!

Warmly,
[Your Name]
